Saranda in Blue

The phrase "Saranda in Blue" evokes the stunning natural beauty of the Blue Eye spring near Saranda, Albania. This natural wonder, known locally as Syri i Kalter, captivates visitors with its deep, vibrant blue waters that mirror the color of the most pristine skies. Nestled in a lush national park, the spring's depth exceeds 50 meters, making it a mesmerizing sight that's both a geological marvel and a testament to nature's artistry. Its allure is undeniable, drawing travelers seeking tranquility and a touch of the extraordinary in the Albanian landscape.
